March 13, 2020

Dear Parent or Guardian:

Through collaboration and communication with our board of directors and other local organizations Baker Youth Club, Board of Directors made the decision to close Baker Youth Club programs due to the Coronavirus outbreak. Please understand this is not an easy decision and we fully understand the concern this may bring to our families. Many details are changing on a momentary basis. Please continue to check our website www.bakeryouthclub.com for any updates that may come.

Thank you for your continued support during this difficult challenge

Sincerely,

Tracy Furnivall

Tracy Furnivall
