BYC Offering new “Referral Program”

Dinner is on BYC!

Baker Youth Club (BYC) is excited to announce the launch of a new “Referral Program” in an effort to impact our community by engaging more children in our “before” and “after” school and summer programs. Under this program, refer a “NEW” family to BYC programs and earn a \$10 gift card to your favorite local restaurant! For any “new” family that registers and pays for any BYC program in 2021 and uses your name as the referring person when registering, you earn a gift card! Referrals are unlimited and if, for example, you refer 3 families you will receive a \$30 gift card! Gift cards are issued when a new membership has been registered and paid.

When the new family registers at www.bakeryouthclub.com there is a specific field for the “Referral Program.” The new family will need to click that selection and enter your name so we know who should receive the gift card!

BYC offers an all-day summer program, afternoon-only summer program, before school program and after school programs!

This Referral Program is valid for 2021 only. The Summer Program is a great way to get started. BYC has an exciting program lined up for the summer with a different theme each week! Come and join the fun.

Help us, continue to help the children and families in our community and enjoy a dinner on us!

For more details visit our website at www.bakeryouthclub.com or call 574-2667-8771

**There is no limit to the number of gift cards a single person can receive. You CANNOT refer your own child or family member but, instead, the referral must be a family/child outside your immediate family. A “new” member consist of a child who has not been enrolled in any BYC program since 2019. The new family can only use one person as the referring party when registering. BYC reserves the right to modify or cancel the Referral Program at any time without notice.*
